

ANNOUNCEMENT

April 2016

The Stratford Culliton's are proud winners of the 2016 Cherrey Cup. The success we have enjoyed this season has been due to the hard work and dedication of our players, coaches, support staff, board members and our fans.

Since 1975, the Culliton Hockey Club has been proud of our fans and we appreciate their support. By in large, our fans are some of the most dedicated and supportive fans in Junior hockey.

In the past 36 hours our Club has received complaints and is aware of an article published on the Internet about the behavior of one of our fans. The behavior in question is unacceptable to our Hockey Club and will not be tolerated. As such the Board of the Stratford Hockey Club will be taking action to address the concerns expressed about rowdy, rude and obnoxious behavior. Some measures will include denial of entry or ejection from our homes games of any fan using profane language and gestures or intimidating or disturbing other fans.

As we prepare for the Sutherland Cup semi-final series against the London Nationals, please be assured we look forward to hosting you, our fans, at the Allman Arena where generations of hockey fans have enjoyed great hockey and a place where fans and families can be proud of their hometown Stratford Cullitons.
